

Our mission is to develop the Blues Hall of Fame which honors and preserves the achievements of Legendary, Master, and Local Blues artists by displaying their uniquely American musical art form. We are educating people about Blues Music and Musicians, and how they both have developed and prospered worldwide.

SPREADING OUR STORY

Our latest Induction Ceremony was held in Alabama on April 30th, 2023, marking the first time since the outbreak of COVID-19.

Blues Artists Inducted

“The Covid emergency officially will end on May 11, 2023. We here at Blues Hall of Fame want you to know that we, for the past 3 years, had put on hold all physical inductions in an effort to keep everyone who we come in contact with, safe. Now that it seems that Covid will not be as big a problem, we plan on continuing our mission to honor Blues Artists at local Induction Ceremonies where the inductees can share the experience with their family, friends, fans, and other contemporary artists.”
